cruising aboard the Exclusively Chartered Deluxe M.S. AMADEUS SILVER II
featuring the GLACIER EXPRESS
June 15 to 25, 2017
Dear Alumni and Friends,

Join us on this Great Journey through Europe, the trip of a lifetime and an opportunity to retrace the traditional 17th-, 18th- and 19th-century “Grand Tour.” Travel through four countries and the western heart of the Continent on this carefully planned, exclusive itinerary. Cruise the spectacular UNESCO World Heritage-designated Rhine Valley, passing the lush vineyards of its Rheingau wine region on the river’s bank, and through Holland’s picturesque waterways, surrounded by polder land reclaimed from the North Sea. Experience three of the world’s great railway journeys and visit four important UNESCO World Heritage sites.

In Zermatt, marvel at the iconic Matterhorn as you travel aboard the Gornergrat Bahn, the country’s oldest cog railway. Then, cross the mountainous backbone of Switzerland aboard the celebrated, ingeniously engineered Glacier Express railway, and spend two nights in lovely Lucerne in the Five-Star Hotel Schweizerhof Luzern, where glorious Alpine panoramas surround you. From Lucerne, journey overland through the verdant, picturesque countryside of Switzerland to Basel. Stop in the medieval gem of Berne and in scenic Interlaken in the foothills of the magnificent Bernese Oberland Alps.

The exclusively chartered, deluxe M.S. AMADEUS SILVER II, launched in 2015, provides our elegant accommodations en route from Basel to Amsterdam, The Netherlands. Port calls along the way include the lovely Alsatian city of Strasbourg, France, a fusion of both French and German cultures, and Rüdesheim, Koblenz, Cologne, and Mannheim for Heidelberg, Germany.

This extraordinary Great Journey through Europe travel program is an excellent value with all excursions and deluxe accommodations included. Early Booking Savings are available only through November 16, 2016, so book now as space is limited and this popular program sells out quickly!

Day 1 and Day 2  
Depart the U.S. for Geneva. On arrival, enjoy a scenic transfer to the Alpine resort of Zermatt, located beneath the dramatic pinnacle of the iconic Matterhorn. Check into the chalet-style HOTEL ALEX. This evening, dine in the hotel's handsome, traditional Swiss restaurant.

Zermatt  
Day 3  
Today, travel aboard the famous Gornergrat Bahn, the highest cog railway in Europe. Ascend through pine and larch forests and cross meadows ablaze with wildflowers to the 10,000-foot-high Gornergrat. From the observatory atop Gornergrat, delight in the sweeping vistas of Europe’s most breathtaking Alpine scenery—the serrated profiles of the Matterhorn, the Liskamm and Dufourspitze mountains and vast Gorner Glacier. Return to Zermatt at your leisure, with the option to stop en route at Riffelberg for the panoramic view of impressive Monte Rosa and the majestic Matterhorn. This evening, join your travel companions for the Welcome Reception and dinner in the hotel.

Zermatt/Andermatt/Lucerne  
Day 4  
Relax during a scenic morning transfer from Zermatt to Andermatt aboard the fabled Glacier Express, “the world’s slowest fast train.” Travel through the heart of the Alps, where the natural beauty of the mountains rivals the skill and ingenuity of the engineers who created this impressive rail route. Enjoy lunch in Andermatt before transferring to Lucerne for check-in at the lakeside Five-Star HOTEL SCHWEIZERHOF LUZERN. The remainder of the afternoon and evening is at leisure.

Lucerne  
Day 5  
A long-favored destination of travelers, Lucerne is set against the backdrop of its deep blue lake and the rugged grandeur of Mounts Pilatus and Rigi. Begin your morning walking tour in the Weinmarkt (wine market), surrounded by historic burghers’ houses. See the Hofkirche (Court Church), one of the finest examples of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk across Lucerne’s most famous landmark, the delightful, 14th-century wooden Chapel Bridge, which spans the Reuss River and is adorned with 17th-century paintings.

Ascend Mount Pilatus by panoramic gondola to its 7000-foot summit for a magnificent 360-degree view of central Switzerland’s mountains, forests and lakes. Enjoy lunch in a summit restaurant followed by free time. Board the Pilatus Railway, the world’s steepest cogwheel railway, and descend more than 5300 feet in less than three miles on return to the shores of picturesque Lake Lucerne, where you will embark upon a scenic cruise.

Lucerne/Interlaken/Berne/Basel  
Day 6  
Early this morning, continue your journey through one of the most stunning areas of Switzerland, the spectacular Bernese Oberland,
traveling from the snow-crowned heights of the Alps to subtropical lowlands. Admire the impressive natural treasures of soaring, snowcapped mountain peaks; green, rolling hills; crystal-clear glacial lakes and densely wooded forests.

Stop in the charming resort town of Interlaken, located between Lake Thun and Lake Brienz. Here, you will find the perfect vantage point for viewing the towering Jungfrau, an imposing summit in the Bernese Alps known as the “Top of Europe.”

Transfer across the rolling Swiss countryside to Berne, Switzerland’s historic capital. Visit the city’s Old Town, a UNESCO World Heritage site and beautifully preserved medieval gem noted for its arcaded sidewalks. Then, enjoy lunch in a historic, 18th-century High Baroque-style granary converted into a traditional Bernese restaurant.

In Basel, embark the ship and attend the Captain’s Welcome Reception and dinner this evening.

Strasbourg, France
Day 7
The lively Alsatian city of Strasbourg fuses Old and New Europe. The Old City, a UNESCO World Heritage site, is a treasure trove of medieval houses, and the charming Ponts-Couverts—covered bridges flanked by watchtowers at each end—span its picturesque canals. It was in Strasbourg that John Calvin first established a reformed parish. See remnants of the Reformation in the beautiful Protestant and Catholic Church of St-Pierre-le-Vieux; and see the graceful sandstone Catholic Cathedral of Notre Dame, a Romanesque-Gothic masterpiece that, according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.”

In the Petite-France district, the historic miller, tanner and fisherman’s quarter along the Ill River, the fairy-tale appearance of a past era lives on, while nearby, member nations of the European Union engage in the daily discourse of the European Parliament.

Mannheim for Heidelberg
Day 8
This morning, transfer from Mannheim to Heidelberg, where luminaries such as Goethe and Schumann once came to experience the intellectual atmosphere of Heidelberg University, the oldest in Germany, founded in 1386.

To many on the “Grand Tour” of Europe, fashionable in the 17th, 18th and 19th centuries, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive with the spirit of German Romanticism. On the walking tour, see how Heidelberg has preserved its authentic Renaissance-Baroque character, including the eight remaining arches of the famous Alte Brücke (Old Bridge) that span the Neckar River. Visit the stately ruins of imposing Heidelberg Castle, a magnificent, 13th-century edifice perched above the river that embodies Heidelberg’s medieval past.
Reboard the ship and cruise through the pastoral Rheingau, Germany’s most famous wine-growing region, known particularly for its Riesling.

Rüdesheim/Koblenz

Day 9
Dock in the medieval town of Rüdesheim, the heart of Germany’s wine country. Enjoy a tour aboard the unique Winzerexpress mini-train, traveling through bucolic countryside vineyards en route to a private tasting of German wines.

Cruise through the spectacular UNESCO World Heritage-designated Rhine River Valley, legendary for its scenery and riverside architectural treasures. Be on deck for a front-row view of the steep, terraced vineyards rising on the slopes of the riverbanks—with nearly each bend in the river, a medieval castle crowns the crags and a tranquil village emerges along its banks. See the famous Lorelei Rock—legend holds that a beautiful siren once lured sailors here with her enchanting song.

The picturesque city of Koblenz is strategically positioned at the confluence of the Rhine and Moselle Rivers and where Germany’s Roman past dates to nine B.C., during the reign of Augustus Caesar. From the famous Deutsches Eck (German Corner), view the impressive 19th-century fortress of Ehrenbreitstein—once the residence of the powerful Archbishop-Electors of Trier—across the Rhine River, and explore this historic city during a walking tour. The twin-towered Basilica of St. Castor, built between the ninth and 13th centuries, features the Rhineland’s distinctive Romanesque architecture.

Cologne

Day 10
Arrive this morning in Cologne, one of Germany’s most ancient cities. Founded as a Roman military outpost in 38 B.C., Cologne has flourished as the Rhineland’s foremost mercantile and religious center from the time of Charlemagne to present day, and is the birthplace of the original world-famous Eau de Cologne perfume. Explore the Altstadt (Old Town) and visit the historic Kölner Dom (Cologne Cathedral), a UNESCO World Heritage site and the finest example of High Gothic architecture in Germany. Its construction began in 1248 and lasted for six centuries—among its artistic treasures are the Milan Madonna and the Shrine of the Three Holy Kings.

Enjoy a leisurely afternoon cruising along the picturesque Rhine River. This evening, attend the Captain’s Farewell Reception and Dinner.

Amsterdam, The Netherlands/U.S.

Day 11
Following breakfast, disembark the ship and continue on the Golden Age of Amsterdam Post-Program Option or depart for the U.S.
The historic heart of Amsterdam, laced with tree-shaded canals and stately 16th- and 17th-century merchant houses, is a UNESCO World Heritage site and the perfect conclusion to your Great Journey. Visit the world-class Rijksmuseum and enjoy a full-day excursion to the quaint port towns of Edam, world-famous for its cheese, and Hoorn, one of the great historic seafaring towns of the Golden Age. Accommodations are for two nights in the deluxe RENAISSANCE AMSTERDAM HOTEL. The Post-Program Option is available at additional cost. Details will be provided with your reservation confirmation.

Amsterdam's charming bridges and picturesque, UNESCO-designated canals bring the intimacy of a small town to one of Europe's most celebrated cities.

Magnificent. Dynamic. Awe-inspiring. These are superlatives that describe not only Switzerland’s majestic 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers, but also three of the world’s great cogwheel railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and the ingenuity and engineering achievements it took to create them. Appreciate the visionary work and vast scope of these impressive railways as you experience the sublime majesty of the iconic Alps from incredible, up-close perspectives.

The Gornergrat Bahn is Switzerland’s oldest electrified cog railway, in operation since 1898. In the brief span of five miles, you will climb nearly 5000 feet from Zermatt to lofty Gornergrat. En route, look for stunning views of the great Matterhorn, hanging glaciers and the robin’s-egg blue waters of glacial mountain lakes.

Lucerne’s Pilatus Railway offers breathtaking bird’s-eye views of Swiss farms and coniferous forests along its three-mile run from the summit of Mount Pilatus to the shores of Lake Lucerne. Its vertical descent of nearly 5400 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat required greater skill and determination than the laying of the track for the Glacier Express (1930) across the spine of the towering Alps. Enjoy this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, glacial waterfalls and snowcapped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that span the tumbling headwaters of the Rhine and Rhône Rivers.

Travel through Switzerland’s dazzling Alpine heart in absolute comfort aboard the marvelous and celebrated Glacier Express.
