September 1 to 9, 2014
Dear Alumni and Friends,

We invite you to join us on this exclusive TOWN & COUNTRY LIFE® program to experience France from the sophisticated city life of Paris to the world-famous campagne (country) wine regions of Burgundy and Beaujolais to quintessential Provence.

Our comprehensive itinerary features deluxe accommodations in the WESTIN PARIS - VENDÔME hotel, ideally and centrally located within steps of the Rue de Rivoli and near Place de la Concorde, and aboard the exclusively chartered M.S. AMADEUS SYMPHONY, one of the finest vessels to ply the waterways of Europe. Cruise into and dock in the heart of charming River Rhône and River Saône port towns, and experience travel aboard the famous TGV high-speed train.

Enjoy separate, specially arranged opportunities to meet Count Raoul de Ternay and châtelaine Madame d'Harcourt, who host you during private visits to the enchanting 12th-century Château de Rully and the splendid medieval Château de Montmelas, their respective homes. A private fortepiano concert will be performed by an accomplished international artist followed by a tasting of locally produced wines in one of these unique settings. You have an opportunity to interact with local residents during the TOWN & COUNTRY LIFE® FORUM to learn more about the rhythm of daily life in the small towns of the Provençal wine country.

You also have the unique opportunity to choose to join one or both of the exclusive Pre- and Post-Program Options traveling from the timeless city of London, through the engineering marvel of the English Channel Tunnel (Chunnel) to Paris, and following the cruise portion of your journey, to a postlude in lovely Aix-en-Provence. This incomparable sojourn features UNESCO World Heritage sites, classic architecture, renowned wine-producing provinces, Roman walled towns and sophisticated cities, and surreal color and light that have inspired artists, poets and musicians for centuries. As you make your plans for traveling, I encourage you to consider the trip insurance offered through the GW Alumni Association. As a bonus, a GW host is eligible to travel on this tour if the participation level is met.

I encourage you to book now while Early Booking Savings and space are available as this exceptional value during the best time of year has sold out quickly in the past.

Paris, France

Arrive in magnificent Paris, an artful mélange of rich history and contemporary treasures. Meet your Program Director and transfer to the deluxe Westin Paris - Vendôme hotel, ideally located a short walk from Place Vendôme and the Louvre. This evening, enjoy a Welcome Reception.

Paris
Wednesday, September 3
What began as a small, isolated Celtic farming settlement on an island in the River Seine developed over the centuries into one of the great cities of the world. And yet, the French capital retains its classical, purely Parisian atmosphere.

After breakfast, see Paris’ most legendary monuments and sites. Admire the soaring grace of the Eiffel Tower’s black iron lace, built for the Universal Exhibition of 1889; imposing Notre Dame, a UNESCO World Heritage site located on Île de la Cité, a small natural island in the historic River Seine; and the lovely, bustling Place de la Concorde.

Enjoy a guided tour of the priceless art of the legendary Louvre Museum, home to an unrivaled collection of masterpieces tracing the arc of humankind’s artistic achievements from Ancient Egypt to the 19th century.

Have lunch on your own and perhaps do as the Parisians do—browse the marché in search of the perfect fromage and jambon baguette.

This afternoon, join the optional excursion to visit Montmartre, the bohemian hilltop neighborhood that for more than 200 years has been a favorite haunt of artists like Pablo Picasso and Henri de Toulouse-Lautrec. Enjoy a guided walking tour of the village and lively Place du Tertre; admire the stunning Romano-Byzantine white stone Sacré Coeur Basilica; and view the Espace Dalí, a permanent exhibition dedicated to the surrealist painter.

Alternatively, immerse yourself in Parisian daily life at your own pace. Explore the nearby pedestrian-only Rue Montorgueil that has the ambiance of an ancient village hidden away in the city center. Stop in the legendary

mid-19th-century Café de la Paix, adjacent to L’Opera Garnier, to sip a creamy café au lait and observer les gens (people-watch). For a sweet ending to your afternoon at leisure, nibble on a French macaroon at the pâtisserie Ladurée or sample the chocolat at Pierre Hermé.

Paris/Lyon Thursday, September 4
Transfer to the Gare de Lyon and board one of France’s greatest technological achievements, the TGV (Train à Grande Vitesse) high-speed train to Lyon; it can reach speeds up to 200 miles per hour.

Arrive in Lyon, a UNESCO World Heritage site, the dramatic gateway to Provence located at the confluence of the River Rhône and River Saône. Enjoy lunch in one of Lyon’s oldest brasseries, then from lofty Fourvière Hill (Praying Hill), see the ornate 19th-century Basilica of Notre Dame and the restored Vieux (old) Lyon, where well-preserved elegant Gothic and Renaissance mansions attest to the wealth of Lyon’s long-standing silk industry. Walk through the ancient quarter of St. Jean, and see the unique, charming, often hidden traboules—narrow, covered pedestrian passageways.

Embrace the M.S. AMADEUS SYMPHONY and enjoy the Captain’s Welcome Reception on board before dinner.

Chalon-sur-Saône for Beaune Friday, September 5
This morning, transfer through the idyllic Burgundy countryside to the enchanting Château de Rully, a picturesque medieval fortress surrounded by vineyards. Count Raoul de Ternay will take you on a private tour of the estate, his family’s ancestral home since the 12th century.

Continue to Beaune, a bustling community founded in the fifth century B.C. in the famous Côte d’Or département and the longtime capital of Burgundy wines. A stroll through this city of art reveals historic mansions and medieval half-timbered houses. Tour the legendary 15th-century Hôtel-Dieu, a quintessential example of Burgundian Renaissance architecture, distinguished by the geometric patterns created by its multicolored glazed roof tiles. The meticulously restored chambers provide a fascinating glimpse into hospital life during the 15th century and houses an impressive collection of period art, including the brilliant Last Judgment by Rogier van der Weyden.

Enjoy time at leisure in the historic, quintessential wine-producing town of Chalon-sur-Saône. Explore lively Place Saint-Vincent, dominated by the Romanesque cathedral and lined with quaint cafés, specialty shops and local wine cellars. Peruse the collections in the quayside art gallery or the museum dedicated to the inventor of the photograph, Joseph Nicéphore-Niépce. Or, enjoy a quiet stroll across the picturesque Saint-Laurent bridge.

Lyon blends 2000-year-old history with contemporary architecture and style. France’s sophisticated second city has an extensive array of museums, art galleries, boutiques and haute cuisine.
Montmerle for Beaujolais
Saturday, September 6
From the lovely vineyards of the province of Beaujolais des Pierres Dorées, the land of the “golden stones,” come France’s youngest and fruitiest wines. This internationally acclaimed wine region located along the shores of the River Saône has been known to produce more red wine than the Burgundy vineyards of Chablis, Côte d’Or, Côte Chalonnaise and Mâconnais combined. Travel over verdant rolling hills into the heart of the church-spired Beaujolais region to enjoy a private tour of the historic Château de Montmelas that has remained in the same family since 1566. Châtelaine Madame d’Harcourt will greet you and share the château’s storied past during a guided tour. An international recording artist will perform a specially arranged, private fortepiano concert in this splendid setting, followed by a sampling of the château’s wines and a tasting of local cheese and charcuterie.

Saint-Étienne-des-Sorts for Orange/Avignon
Sunday, September 7
Experience the stunning beauty of the French countryside and the aged stucco houses painted Provençal peach, raspberry, rose or green—and accented by shutters in every hue of blue—en route to Pont du Gard, a UNESCO World Heritage site. Visit the exquisitely built 2,000-year-old Roman aqueduct that once supplied over nine million gallons of water daily to the city of Nîmes. This magnificent structure was constructed of stones made to fit together seamlessly without mortar and makes clever use of arches to support the weight.

Continue to the Roman city of Orange and its amazing UNESCO World Heritage sites. Visit the well-preserved, ancient Roman Theater, still hosting performances today, and see the Roman Triumphal Arch, built in the late first century as a tribute to Augustus and a symbol of Roman imperial glory. Following lunch on board the ship, transfer to Avignon, where during the 14th century the city became the center of western Christendom when Pope Clement V arrived here after fleeing the turmoil of Rome in 1309. The next six pontiffs enlarged the city into one of the richest and most powerful in Europe, until the Great Schism with Rome (1378) led to the eventual end of the Avignon Papacy (1405). On the walking tour, visit the grandiose Palais des Papes (Papal Palace), one of the largest châteaux-forts built in Europe during the Gothic era, the primary reflection of Avignon’s golden age and one of the most famous landmarks in France. Walk to the nearby splendid Garden of the Popes and the Rocher des Domes, which offers panoramic views of the River Rhône Valley. At the river’s edge, see the remaining four arches of the famous Pont d’Avignon, one of the most beautiful bridges constructed during the Middle Ages. You can stroll along the city’s well-preserved, 14th-century ramparts, one of the finest surviving examples of medieval fortification. Dinner is on board and the evening is at leisure in Avignon.

Avignon/Arles
Monday, September 8
Few places on Earth can match the distinctive joie de vivre of Arles. This archetypal Provençal city is home to one of the most majestic Roman monuments in France and the world, the Amphitheater, that was built in the first century B.C. and could hold up to 20,000 spectators. Visit Arles’ 12th-century Cathedral of St. Trophime with its fascinating Last Judgement-themed portal, one of the finest examples of Romanesque sculpture. Between 1888 and 1889 Vincent van Gogh lived in Arles and the subject of his famous Night Café painting is still open for business on the lively Boulevard des Lices.

The Captain’s Farewell Reception and dinner are on board the ship this evening.

Arles/Marseilles/U.S.
Tuesday, September 9
Disembark and continue on the Aix-en-Provence Post-Program Option or transfer to the airport in Marseilles for your flight home.

Arles’ Romanesque architecture reflects its history as a vital port of call on the Roman road from Italy to Spain.
