Still With Me?

CARDY CAREER COACHING
Here’s the Problem
CARDY CAREER COACHING
5 Powerful Practices

• Know who you are and what you want
• Accept who you are and what you want
• Believe you can get what you want
• Ask for what you want
• Keep asking for what you want until you get it

CARDY CAREER COACHING
5 Powerful Practices

• Know who you are and what you want
Polly’s Story

- Accidentally landed in profession
- Felt stagnated, bored, and unsatisfied
- Affecting personal life
- No one to bounce career ideas off of
- Didn’t want to waste years of life in the wrong job
- Worried she’d stay stuck
Polly’s Story

- Coaching helped make sense of her life and its narrative
- Saw patterns that she’d previously missed
- Needed an unbiased and objective viewpoint
- Successfully moved across country and changed jobs
- Happily employed with same org for four years
- Role totally a good fit
5 Powerful Practices

- Know who you are and what you want
- Accept who you are and what you want
Suriya’s Story

- Felt like a cog in a machine; work didn’t matter
- 7 years in job, didn’t want to go another 7 in same job
- Tried googling answer; didn’t work
- Thought hitting financial goal would mean happiness; hit it, but still felt horrible
- Dragged feet going to work
- Couldn’t decide what to do; lacked support from family
Suriya’s Story

- Looked through work history and connected with what she loved
- Living dreams right now
- Achieving what felt impossible not too long ago
- Worst day in current field is better than best day in old job
- That’s how big the difference is
- Feel awesome and very lucky
5 Powerful Practices

• Know who you are and what you want
• Accept who you are and what you want
• Believe you can get what you want
Emily’s Story

- Job was awful and felt miserable
- Was so far in the hole, didn’t know where to start
- Hated to going to work everyday
- Tired from long hours
- Stayed up until 2 am on Monster, would email herself 20 positions, but I couldn’t write 20 cover letters
- Felt so hopeless
- Was concerned about wasting time and money
Emily’s Story

- Realized needed more than a new resume
- Connected to strengths, interests, passions, and dreams
- Broke down what felt like a really big problem
- Landed and prepared for a new job
- Lasting impact; have the tools to handle things
- Coaching made me better
5 Powerful Practices

• Know who you are and what you want
• Accept who you are and what you want
• Believe you can get what you want
• Ask for what you want
CARDY CAREER COACHING
Tom’s Story

- Felt directionless
- Dissatisfied with career for over 3 years
- “Being happy at work felt beyond my capacity”
- Most frustrated by feeling like he was wasting time (that could be spent with family) firing things off into the void
- Tried networking and headhunting agency; considered new professional licensure
Tom’s Story

- Identified what he liked and didn’t like
- Narrowed down on industry
- “Three months into my new job, and I love it”
- Made a huge difference in every aspect of his life
- Much more pleasant to be around for family
- Very pleased with results
5 Powerful Practices

• Know who you are and what you want
• Accept who you are and what you want
• Believe you can get what you want
• Ask for what you want
• Keep asking for what you want until you get it

CARDY CAREER COACHING
